The Coalition has started sending out the notification letters to the wells owners.

The State has signed the MOU and Wood County apparently approved the MOU. However, Juneau County has tabled the MOU until its January Board meeting.

Linda,

AGC has begun sending out the notification letters.

We were also notified this afternoon that the Wood County Board has approved signing the MOU. We're just waiting to hear from Juneau County. I'll forward a signed copy of the MOU as soon as I receive it.

WDNR and EPA communications staff are collaborating on the upcoming news release.

Jim

All,

The first letters (example attached) are being placed in the mail today to the property owners in the agricultural corridor. The rest will go out on a rolling basis over the next two days.

Best,
